1 Executive Summary

The Cluster General Counsel Group is pleased to report on the performance of the NSW Government Legal Services Panel for the fourth year of its operation.

The panel, which commenced on 1 July 2016 and is made up of 40 small, medium and large law firms across 35 distinct areas of law, continues to demonstrate benefits to the 93 agencies¹ that used it during the FY19/20 year:

- Improved legal panel rates
- Volume discounts
- Value added services
- Streamlining of legal procurement
- A sustained focus on equitable briefing practices and the provision of pro bono services

Billings

Total legal panel billings for the year were \$142.5m.²

The majority of billings were from the Transport and Infrastructure cluster (\$70.3m), followed by Planning, Industry and Environment (\$14.8m) and Customer Service (\$13.9m) clusters.

The sub panels with the highest proportion of billings were Major Transactions (\$42.6m), followed by Planning, Property and Environmental Law (\$33m) and Commercial (\$24.6m).

The top three legal firms in each sub panel based on proportion of panel billings were:

- Major Transactions: Clayton Utz, Ashurst Australia and Herbert Smith Freehills
- Commercial: Clayton Utz, Hicksons and HWL Ebsworth Lawyers
- Planning, Property and Environmental: Clayton Utz, Norton Rose Fulbright and Herbert Smith Freehills
- Employment, Work Health and Safety: Lander & Rogers, Bartier Perry and Ashurst Australia
- Government, Regulatory and Administrative: Crown Solicitor's Office, Clayton Utz and Smythe Wozniak Lawyers
- Litigation and Inquiries: Norton Rose Fulbright, Clayton Utz and Makinson d'Apice Lawyers

Pro bono services

"Pro Bono", which translates to "for the public good", means the provision of legal services on a free or significantly reduced fee basis to members of our community who would not otherwise be able to access justice. Panel law firms are required to report each year on how they are performing against the National Pro Bono Target of at least 35 hours per lawyer.

The provision of pro bono services by panel members is an important focus for the Cluster General

¹ The Panel has been established on a non-exclusive basis, that is, each Agency remains responsible for procuring its own legal services

 $^{^2}$ This does not include off panel matters briefed outside the panel. A copy of the Panel Rules and Off Panel Guidelines can be found here

Counsel Group.

During the year panel firms provided an average of 30.31 hours of pro bono services per lawyer, equating to 324,293 hours of pro bono services. This is a slight increase from last year's average of 30 hours of pro bono services per lawyer.

Equitable briefing of women barristers

NSW Government is committed to supporting the progression and retention of women barristers who are engaged by agencies and across the legal profession more broadly. All Government sector agencies that brief counsel are required to comply with the Equitable Briefing Policy for Women Barristers³ which requires each agency to make all reasonable efforts to:

- brief or select women senior barristers accounting for at least 20% of all briefs and/or 20% of the value of all brief fees paid to senior barristers; and
- brief or select women junior barristers accounting for at least 30% of all briefs and/or 30% of the value of all brief fees paid to junior barristers.

Billings

Indirect briefings⁴ to counsel by panel law firms during the year generated \$8.5m in fees, comprising \$3.2m (37.65%) of briefings to female counsel and \$5.3m (62.35%) of briefings to male counsel. This is an 11.1% increase on briefings to female counsel compared to FY18/19.

Briefings

When comparing the current number of barristers practising within NSW⁸ to the number of indirect counsel briefings by panel firms,⁹ female senior counsel represented 12.8% of all senior counsel and 35.1% of all senior counsel briefings. Female junior counsel represented 26.2% of all junior counsel and 35.2% of all junior counsel briefings,¹⁰.

Based on the percentage of indirect briefings to women barristers over the life of the panel to date, Table 1 indicates there has been a significant improvement in the amount of briefings to women barristers, aligning with NSW Government policy:

⁹ Prior annual reports compared the percentage of current barristers to the percentage of counsel billings, however during FY2018/2019 and FY2019/2020 additional information was captured in order to enable comparison between the percentage of current barristers to the percentage of counsel briefs. This figure includes both panel and off panel briefs enaged by panel firms

8 Counsel Briefed in FY19/20

The NSW Government recognises the need for equity in briefing practices. Government agencies are required to consider female barristers and ensure an equitable distribution of work to both male and female barristers.

The Equitable Briefing Policy¹³ is designed to promote opportunities for women at the Bar. It is founded on equity principles. Under the Policy, when government agencies engage barristers or advocates, they are to take reasonable endeavours to:

- a) Identify female counsel in the relevant practice area
- b) Genuinely consider engaging female counsel
- c) Monitor and review the engagement of female counsel
- d) Report annually on the nature and rate of female counsel engaged.

Counsel Billings

The value of all briefs by panel firms to counsel (indirect briefings) during FY19/20 was \$8.5m, comprising \$5.3m (62.35%) of briefings to male counsel and \$3.2m (37.65%) of briefings to female counsel. The percentage of billing value to female counsel has increased by 11.1% from last year.
